PIECING INSTRUCTIONS

Mark a diagonal line on the back of the White (B) and Fuchsia (B) squares.
Place a (B) square on the corner of a grey square. Stitch on the drawn line.
Trim 1/4 inch from stitching line to remove the outer corner. Press towards grey
fabric. Make 4 Fuchsia and 4 White cornered grey units (shown on next page).

Now we can create small four patches which will form each bow tie. Stitch a Fuchsia(A) to a pieced grey/fuchsia corner unit. Ensure that the fuchsia corner is towards the fuchsia (B) square. Make four total. Make tww four patch units ensuring they are laid out as shown in diagram below.

Repeat with white fabrics. Using block diagram on front page, layout the four patches you have created. Stitch them together in pairs and finish by joining the pairs to make your block.
